LYRICS ZONE

GET STONED

By WAGON PARK

I woke up one morning/The whole world was on my back/My baby left me yesterday/and she ain't gonna come back/I gotta make a run for it/Gotta get my baby back..on my time/By the time I hit the road/It was all too late you know/Hurt my baby's on her way/to a far away land you know/I felt so blue, so I called my friend the dude/to get stoned

CHORUS

Get stoooooned (yeah)

Get stoooooned

Oh ahhhhh

la la la laa

Get stoned

Just like all the fetters I know/The whole world hates me too/I'm just a human being/like each and every one of you/I maybe a bit glum or maybe a little bit high/getting stoned

REPEAT CHORUS

Oh ahhhhh

la la la laa

SOLO

Goodbye Goodbye Goodbye/ I've had enough of this lonely life/ Need to find a train line/Gotta find a way to die/If you think I'm wrong this time/well love for you bigtime/I'm stoned

REPEAT CHORUS

REPEAT SOLO

Get stoned

Hail Melody Maniacs! Here's a toast to all metal rockers and metal bands that definitely worth their weight in gold for bringing us awesome music. The scene is very much definitely loaded with gigs all around the country. We should note that *Stigmata* is playing every third Sunday of the month at Zetter so that means more manic metal all the way. In Kandy, *KRM* is really having some happening concerts there and yet more gigs are gonna happen in the city soon.

Please send a shout out at nilma@sundayobserver.lk.

METAL GRINDER

sa (deepest sympathies on the death of his grandmother) who dropped in to support his friends who were performing at the gig.

Need I say more?

The latest tongue-wag from cute Tantrum lead and "Peace Sells" organiser Javeen was that the crowd should be prepared for a "Peace Sells:2" concert which they hope to hold in the summer.

PEACE SELLS A SUCCESS!

'The Peace Sells... But Who's Buying' concert was massively major with larger-than-life performances served on a silver platter at Club Nuovo Taj. Merlock kicked the show in real Merlocky style with 'Crimson Skies', 'Disclosure' and hot off their record burners, 'Chamber of Pain'.

Funeral in Heaven was maniacally awesome with 'Origin of Evil', 'Blood of Judas' and their hot number 'Winds of Uva' wrecking the sound machine in a brilliant way. Buddhi and the Wagon Park boys launched full-force mayhem in Jingy Bingy style with 'Kannath Ne, Bonnath Ne', 'What I Want (What You Need)' and a cool Maldivian track written by kicker guitarist Fira called 'Don'.

Bire of 'Land of No

Return' fame sported a fashionable cowboy hat and gave an assisted stunner performance with Wagon Park for the 'Flat' and 'Comfortably Numb' songs.

Terrific Tantrum being the polite ones were last but definitely not the least with 'The Holy Torment' and 'Bleeding Compassion' attacking and penetrating the crowd to the core. Cute lead Javeen held the crowd rocking in true spirit with his superb guitar work that oozed with head-gorging music.

The female turnover for the show was massive and I bet more girls will follow suite.

Whatever the magic potion was, everyone was under the spell and it even attracted the likes of Namal Rajapak-

D - SYNDROME HITS!

The girl who has gone where no girl has gone before is Dinelli of 'D-Syndrome' fame on radio. The official news of one of the first female rockers was secretly expressed recently when Izzy of Hollow fame told that he's supporting Dee all the way with this effort. Right now, she's got a SL Top 10 hit which is making quite a fantastic ripple on the airwaves. We at MM and the Sri Lankan music scene wish her all the best and hope more girls will follow suit, go baby go!
