Follow the Reefer

By Cannabis

Crumble the seeds of weed and you shall just prepare (x2)

Follow the reefer and it shall take you there  
To a place of laughter and love  
Follow the reefer and it shall take you there  
To a higher place up above

Roll the paper a roach to the side of your mouth (x4)

Follow the reefer and it shall take you there  
To a place of laughter and love  
Follow the reefer and it shall take you there  
To a higher place up above

Light the light and you shall float in air (x4)

Follow the reefer and it shall take you there  
To a place of laughter and love  
Follow the reefer and it shall take you there  
To a higher place up above

Drummers anyone? -

Guess everyone's looking for drummers these days with Mackie of Nemesis stating that he wants 'fresh blood' to drum his band forward and probably alternative rockers Spitty Angel's Fire is also on the look out for someone equally enticing.

Divas Unplugged -

Anil Balasuriya will host yet another grandeur event called 'Divas Unplugged' that will feature the best feminine voices the music industry has to offer.
