Also, this is a plea to all bands out there - please send censored and uncensored versions to the lyrics of your songs. To the fans, please feel free to request for the uncensored version of the lyrics of your favourite bands via email. Fans who would like the uncensored versions of the songs previously published which were Wagon Park's 'Get Stoned' and the Cannabis song 'Follow the Reefer' please request via email. ## METAL GRINDER

### Hollow Hell-o?

Was I shocked that Izzy, Dilshan and Akila left Hollow or what? I inquired lead dude Steven as to why the surprising turn of events and he had this to say: 'Izzy's undertaking some other projects so he left, Dilshan had other commitments and, well, we knew Akila was going to leave because he had some personal issues.'

### Goodbye Milo

Here's wishing Milo of Wagon Park fame all the best for his ship career and we hope he comes again to rock with them after one year. Good luck dude!

### Tragic Moon

Having performed for the first time for the Jingy Bingy Show, 'Tragic Moon' proved that they could hit the underground metal scene in a biggie way. They told that they wanted a good bass guitarist who could take them to the fore and potential bassists can email [nilma@sundayobserver.lk](mailto:nilma@sundayobserver.lk) to join the bandwagon.

### Filler Sulphide

Thushara of Karmic Sulphur posted that they were on the lookout for a rhythm guitarist and had this to say: 'Just so we're clear Nuwan has not left us yet but he will be departing in a short while... so we want to start familiarising the new guy in advance'. However, please note that they want a committed person who is serious about making music. Email [karmicsulphur@gmail.com](mailto:karmicsulphur@gmail.com) to audition and be part of the Sulphuric dudes!
