

Welcome MM folks to a new page of a music-infused Sunday. This is a message that this page is serious about the music we share and we don't highlight bands and concerts just for the sake of it. While others may do it for the kicks only, we are pretty serious about bringing out the best of the bands in Sri Lanka and helping them in whatever way we can. Please drop your comments and suggestions to make this space a better place.

METAL MELT-DOWN

PARANOID EARTHLING

We were pretty happy to have found very rare CDs hidden all around the sofas of Club Nuovo the day 'Paranoid Spirit' rocked the town.

Half-Cast

The guitars are pretty psychedelic, and the drumming is definitely kicking. The exasperating lyrics resonate with good

animosity and total mayhem.

My Swine

Absolutely nerve-bracingly good in an awesome way, this song is worth a listen when you want to chill down with mates.

The Highway

The vocals are superb and the gorgeous guitars work on this thing make you wanna get high-all the way. This is definitely a number to hit the road with. So anyone up for one on the highway?

In Black & White

Kicking track and despite it goes on the extreme lines politically, we sure say, this song is a better production from Paranoid Earthling.

Retro Carnival Galore

After the massive success of the 'Flashback' show at the Club Nuovo recently, many people are opting to go Retro in the future. Some of the best music maestros around will play host to a massive Retro Carnival that is bound to take place this summer.

Drop your comments on email on what you'd like to listen from the rock/metal genre from old school.

Rockapuloza

Anil Balasuriya will revive the Rockapuloza spirit once again with a massive show by the end of June. Word also has it under the grapevine that he's planning to put together a television show that will take on the music scene and highlight it to the extreme. Be prepared to witness a good gig and hopefully a dedicated show with fireworks and crackers!

LYRICSZONE

THE DESTROYER

Music and Lyrics by Javeen Soysa  
Produced by Shobi  
Recorded at Sonexco Studios  
(UNEDITED VERSION)

Out of the blackened sky  
A silver beam of light  
Destroyer lands on earth  
Fear strikes every living being  
He's faster He's stronger  
Mankind is on its knees  
Enraged, in anger  
Hailing from the skies  
In the valley, in the city  
Destruction starts again  
His body's of metal  
To rip your flesh apart  
He will cut you to the bone  
As you die with a parting groan  
He is the master of destruction  
No one dares to take him on  
Children crying, priest are dying  
Craving its dinner on a mirror  
Bread to kill every living being  
Out from ruins once possessed  
Thunder & lightning  
Ripping the clouds apart  
Screaming with vengeance  
Seeking to the skies  
Running wild, running free  
In turning on the power

Greater & mighty  
Destroyer strikes again  
He will cut you to the bone  
As you die with a parting groan  
He is the master of destruction  
No one dares to take him on  
Children crying, priest are dying  
Craving its dinner on a mirror  
Bread to kill every living being  
Out from ruins once possessed  
He's faster He's stronger  
Mankinds on its knees  
Enraged in anger  
Hailing from the skies  
His body's of metal  
To rip your flesh apart  
Screaming with vengeance  
Destroyer strikes again  
He will cut you to the bone  
As you die with a parting groan  
He is the master of destruction  
No one dares to take him on  
Children crying, priest are dying  
Craving its dinner on a mirror  
Bread to kill every living being  
Out from ruins once possessed
