

Reawakening Jaffna

The “Jaffna Reawakening” carnival jointly organized by Army’s 51st brigade and Jaffna Traders Association was held at the Alfred Duraipappa Stadium last week amidst a large gathering. The event included several sports events and outlets which sold essential goods at concessionary prices in addition to entertainment features. The event was organized on the instruction of Major General G.A. Chandrasiri and with the supervision of the Commander of Army’s 51st brigade Major General Leonard Mark. These are some of the sports events which were worked off of the carnival.
