METAL MELT-DOWN

Rogger's Banter

Rogger has been bantering about the bush on the Empyre gig and it's definitely no shush! No offence, dude.

He tells "We are awaiting the arrival of our rhythm guitarist Steve who'll be coming down from Dubai by the end of this month". Plans are in full swing and auditions are underway for one of the most happening gigs to rock the town.

Dandy Kandy 2 Rock!

The grapevine goss from the hill country told us that the next Dandy Kandy gig will take place on the 29th of June at the Kandy Garden Club whose venue have been awesome enough to play host to great gigs all the time. Awesome outfits like Forlorn Hope, IN LIEU OF FAULT, Forsaken themselves and other upcoming and soon-to-be massive acts will grace the hills. Ask for more low-down on email.

Merlock

Word has it that Dumidu and the guys of Merlock are planning to have their album launch gig 'somewhere in July' they said. They have renamed the album to its title track 'Enemy' which will feature a cool instrumental. The songs off, are 'Crimson Skies', 'Chamber of Pain', 'Disclosure', 'Wastelands of War', 'On the Road to Ruin' along with the title song 'Enemy'.

LYRICSZONE

Nymphomercial

by Powercut Circus
(UNEDITED VERSION)

She goes down to the market-place,
She's dressed in leather, lives in lace,
She dildos fruit and vegetables,
She sticks it in the microwave,
She sucks the marrow squeaky clean,
She watches soaps on ETV,
She brings home bacon, she brings home cheese,
She brings the world down to its knees.

Oh, she's one of a kind
The shops are closed, she goes wild,
Now I'm sad that I left her behind,
Cause it's always on my mind.

I go solo. Why?
Oh no, low blow. Why?
Logo no show. Why?
Do not pass go. Why?

She's a goddamn fender bender,
Checks her mail, return to sender,
Her world is inside a blender
Spinning like the great pretender,
She's got her feet on the ceiling,
Appealing, stealing, wheeler dealing,
And I have an empty feeling,
Swinging on a burning tire.

So come on down,
Come on down,
Come on down,
Put out my fire.

She is a one of a kind,
She speeding down route 69,
I say slow down, she says drive,

No one gets outa' here alive
Unzip my fly. Wild!
Promise the sky. Wild!
Buck stops right here. Why?
Need a pap smear. Why?

Ultra-phasing, taillights blazing,
Everybody else is panda gazing,
Can't you see that she's no better?
Gets her rocks off wearing leather

Nympho, Tech no,
Want some? Heck no,
Unwind, rewind,
Kiss my backside,
Tastes like vaseline,
Smells like urine,
Need some mentos,
Free the kleptos.

He's got his whores, where are mine?
It's medieval, it's just fine,
Purple headed warrior mine,
Is invading open thigh.

Doors are closed,
Not gonna take it
No encores,
Not gonna fake it.

She's not a one of a kind,
She's just the devil in disguise,
She's not gonna take the piss,
No she's not gonna swallow this.

Squeeze the lemon. Why?
Ball the melon. Why?
She's the felon. Why?
Ban the wagon. Why?

So go slow, lets go wild,
Go slow lets go wild,
Go slow lets go wild,
Go slow lets go wild.
