Just set your eyes on making your favourite girl the winner of the glamorous title "Ms. Sunday Observer" sponsored by the *Sunday Observer*, the media sponsor. Keep sending your votes for her. You are not yet late, if your favourite is still at the bottom of the list!

The team of Technique International is busy getting ready for the "beautiful pageant" under the guidance of Gwendoline Kuhadeva to make it more attractive and electrifying. Mini titles have already begun and these beautiful ladies are eagerly attending their sessions. I heard these pretty ladies are anx-

iously waiting for the gala pageant, bedecking themselves, paying much attention to their beauty. Of course, beauty matters a lot for them!

They are already in the beautiful yet friendly competition and trying to look more attractive than the other.

This week's mini title is "Exotic eyes and nail art".

Last week, the contestants had a practice session and according to Gwendoline Kuhadeva, "They were very enthusiastic and flexible in learning the necessary things needed in a beauty pageant". The eye

make up and nail art were done by the students of Technique International School.
