It was like going from a concrete jungle to a world of mesmerizing natural beauty in literally a 'snap'. These were the photographs that won prizes in the category of "Natural Beauty" in the photographic exhibition that was held in commemoration of the World Environment Day 2009 - organized by the Environmental Education and Awareness Division and Post Consumer Plastic Waste Management Project of the Central Environmental Authority - last week.

National level open competition - 'Natural Beauty of Sri Lanka' second place - D. S. S. Dodampe
