# High Wave

Before May 2009, the Navy's ultra-sleek Jetliner passenger vessel undertook perilous missions in hostile waters to convey civilians and military personnel to safety. It came under attack on more than one occasion but miraculously sailed on to calmer waters. More than one year on, peace has returned to the land – and the sea. The Jetliner has become the place to see and the place to be seen in. It is the most happening place in Colombo, with the City's high fliers coming on board for glittering social events. Our photographer captured these scenes at a recent party on a Jetliner cruise. Indian Cricket captain Mahendra Singh Dhoni graced the event and several other Indian cricketers also enjoyed the evening on the high seas. It was certainly an evening to remember.
