Today we feature the many winners in the mini pageants at the Derana - Veet Miss Sri Lanka 2014. The contestants were all talented in their own right but at the end of the day only one emerges the winner. The eminent panel of judges comprising well-known Kolu, Nimmi Harasgama, Ravindra Ran-deniyara, Shayana Amerasekara and Channa Wijewardena had a hard time picking out the best in each category. Last week we carried the main winners and Runners-Up.
