It was a triumphant culmination for the students of Bishop's College, Methodist College, Colombo, Trinity College, Kandy and S. Thomas' College, Mount Lavinia when Dwani 15 came alive in all its colourful splendour on January 23.

The hard work and commitment put in by the students was evident to the appreciative audience in the packed auditorium. There was no doubt that this concert was a concert to keep alive Sri Lankan culture.

Credit must go to the master in charge P.W.T. Dilan, to the Secretary of the Society Purani Galloluwe, the band leader Chamanthi de Alwis, President of the Society, Manisha Ratnayake, and also to the Principal Sharmila Gunatilleke and the Vice Principal Chemali Herath for their invaluable support.
