

The N'Eliya experience

Vibrant colours spiked up the glamour quotient to the *Salalihini Wasanthaya*, the biggest fiesta in Nuwara Eliya, Sri Lanka's Little England, throughout the April New Year season. The blooming flowers, beautiful smiles and the perfect weather, making it the perfect combination for an unforgettable season. Nuwara Eliya, the most visited destination in April, had an exciting line up of events to make the season memorable for everyone. These included carnivals, motor races, horse races, boat races, musical shows and cultural performances. Here we share some of the more exciting moments captured by our staff photographer **Thilak Perera**.
