The Colombo Visakha Vidyalaya Psychological Counselling Centre launched the *Thinetha Yathra 2016* program at the Pilimalalawa, Ambanwala junior school recently. The aim was to improve knowledge, attitudes and skills of the

students and create a conducive environment. As an initial step the library at the Ambanwala school was repaired and books were presented. Several programs aimed at personality development such as acting and singing were held with the participation of students from the two schools. Uduwara Zonal Education Director, Ambanwala junior school principal, Visakha Vidyalaya principal and the staff of both schools and parents participated.
