## DESIGNER OF THE YEAR CONTEST 2016

Organised by CATS Designer Circle

# THE COUNTDOWN BEGINS...

Just seven days more and the excitement amongst the contestants has moved to fever pitch mode. The obvious question that is being tossed around is "Will it be me?" to carry off the Designer of the Year Award. The answer lies with judges who we understand will be highly critical of the abilities of the contestants not only in the main award but for also the ten categories.

A limited number of tickets are available. Inquiries dial 0777212153.
