Participating in an international pageant is an experience that will never be forgotten. It is a unique opportunity to meet young wives and mothers and I enjoyed interacting with them. Although beauty is the key element at the pageant contestants are encouraged to voice their opinions on marriage and current events.

I am a past pupil of Samudra Devi Balika Vidyalaya and after I left school I studied Bharatha Natayam under Vasugi Shanmugapillai for five years. Two years after I married I won the Best Model of the World Sri Lanka in Turkey.

In 2013 I was overjoyed when I won the crown as Mrs. Asia International in Malaysia. It was all very interesting being a part of the Mini Pageants – the Best Model, Best Talent, Best Personality and Photogenic.

Nilu continues with her modelling career in Sri Lanka.
